

SEA-LAND 12/24V BILGE PUMPS

“Yacht” and “Yacht Maxi” bilge pumps are manufactured in a special crush and hydrocarbons resistant polypropylene. They are designed for easy cleaning and servicing, and feature a pull-off baseplate for access to the impeller. All pumps have a stainless steel motor shaft, with lip seals on Yacht models and mechanical seals on Yacht Maxi models. Pumps have 1” hose connectors and are supplied with 1m cable as standard.

TECHNICAL DATA						
MODEL	WATT	AMP	VOLT	CURRENT	RPM	WEIGHT
